

Thank you for considering Signorello Estate for your upcoming experience. We are a small, boutique winery that specializes in estate grown Cabernet Sauvignon. The winery is set on a hill overlooking the Napa Valley. Our patio terrace, with panoramic views of the Napa Valley, is the perfect place to hold your event!

We are able to work with you to customize your event to your specifications. We are able to handle groups from 10 to 200 people. Please note that groups larger than 40 people may have to work with a caterer. We offer a variety of different types of events to choose from. Our facilities house a full professional kitchen as well as an outdoor wood burning pizza oven and gas grill.

The following are some options to choose from:
