## 2007 CABERNET SAUVIGNON ESTATE 91 POINTS

*“The latest Signorello cab contains 12 percent merlot and 8 per cent cabernet franc and rallies around the 2007 vintage a perfect year for cabernet. Made to exacting French standards it still offers a Napa signature dark colour and a warm inviting nose of blueberries and mocha notes. The ‘07 is slightly more open and evolved than the normal Signorello style with black fruit flavours, more mocha vanilla and pencil lead but not to worry it still practises enough restraint to allow one to finish the bottle, which is exactly what I’m going to do at the end of this review. Then again you can save your bottles and open them in 2017 to even better effect.”*
