TO CALIFORNIA WINE

2007 PADRONE  
93 POINTS - TWO PUFFS!

*“Deep and keenly focused first on the curranty side of Cabernet and its compatriots and then on its herbal, olivey side that show up as complexing notes, this quite expressive effort is full on the palate, somewhat fleshy and has more than enough underside muscle to be both bold and fairly well-balanced at the same time. Elegant and understated are not its métier, but solid, rich, ageworthy and well-suited to your best center-cut rib roast are.” - Connoisseurs’ Guide*
