## 2008 CHARDONNAY - VIELLES VIGNES

---

*Wine Enthusiast* Steve Heimhoff, **93 Points**

"An intense, nervy Chardonnay, grown on the estate along the Silverado Trail. Shows good acidity and a minerality that makes it elegant and firm, giving a bracing structure to the oak inspired flavors of pineapple tart, peaches and cream."

Ronn Wiegand, 4 Stars

"Full bodied and complex in style, this is a supple, well balanced, moderately rich chardonnay, with a long finish, tasting of white peach, apple, honey, grapefruit, toast, and baked bread."

"Very burgundian and sophisticated. This ain't your over-oaked napa chard. Steely flavored with minerals. Very little fruit. I paired it with teriyaki grilled chicken but it would go great with a nice fat filet of tilapia or some other mild fish."

"...it leads with very rich aromas of sweet fruit and abundant oak...."
